

Kingston University  
Campus Enterprises  
Limited (KUCEL)

Freedom of Information Act  
2000

Publication Scheme

December 2008

## **Freedom of Information Act 2000**

The Freedom of Information Act 2000 (the Act) gives a right, with some exemptions, for access to all types of recorded information held by Kingston University Campus Enterprises Limited (KUCEL). Any person who makes a request to KUCEL must be informed if the Company holds it and, subject to exemptions, be supplied with it.

The Act extends individual rights granted by the Data Protection Act 1998 to allow public access to all types of information held.

Under the Act, the Company is required to maintain a "Publication Scheme" which provides a guide to information that it makes routinely available. The purpose of a scheme is to ensure a significant amount of information is available, without the need for a specific request. Schemes are intended to encourage organisations to publish more information proactively and to develop a greater culture of openness.

## **Legal Requirements**

Maintaining a publication scheme is a requirement of the Act. The Act promotes greater openness and accountability across the public sector by requiring all 'public authorities' to make information available proactively, through a publication scheme.

'Public authorities' are defined in the Act and include companies wholly owned by universities.

## **The 'Model' Publication Scheme for Wholly Owned Companies**

KUCEL has developed its publication scheme in accordance with the Definition Document for the Model Publication Scheme for Wholly Owned Companies, and is therefore committed to publishing the information that the Definition Document describes.

## **Accessing Information Covered by the Publication Scheme**

The classes of information we publish are described in the second part of the scheme.

For each class we have listed the types of information that are routinely available. To request copies of information available through our publication scheme please contact:

Gail Laughlan, Freedom of Information Officer, Information Services, Kingston University, Penrhyn Road, Kingston upon Thames, Surrey, KT1 2EE

E-mail: [freedomofinformation@kingston.ac.uk](mailto:freedomofinformation@kingston.ac.uk); Telephone: 020 8417 2090

Documents sent electronically via an e-mail attachment from the Freedom of Information Officer will be supplied free of charge. A charge of £1 per CD-ROM will be made where the size(s) of electronic file(s) requested is sufficiently large for it not to be possible to send the requested information by e-mail, or where the information has been specifically requested in this format. A charge will not be made for hard copy paper documents, except where a total of 100 or more pages has been requested, in which case a charge of 2p per page will be made to cover photocopying costs. KUCEL reserves the right to amend this charging policy at any time. Any charges payable will be notified to the applicant, and payment required, prior to the request being fulfilled.

Please note that a publication scheme relates to 'published' information. Therefore, material covered has already been prepared in a format ready for distribution.

### **What about information not covered by the publication scheme?**

You have the right, under the Freedom of Information Act 2000, to request any information held by a public authority which it has not already made available through its publication scheme.

Requests have to be made available in writing and, in general, public authorities have 20 working days to respond. They may charge a fee, which will be calculated according to Fees Regulations. They are not required to release information to which an exemption in the Act legitimately applies. However, public authorities may be required to explain to the applicant why they are not releasing information and they may also have to justify this to the Information Commissioner.

It is important that this publication scheme meets your needs. If you find the scheme difficult to understand, please let us know. We also welcome suggestions as to how our scheme might be improved.

If you are unhappy with the service that you have received in relation to either this publication scheme or any other request that you have made to KUCEL under the Act, and wish to make a complaint or request a review of KUCEL's decision, please contact:

Dr Chris Ince, Head of Secretariat, Kingston University, River House, 53-57 High Street, Kingston upon Thames, Surrey, KT1 1LQ

E-mail: [c.ince@kingston.ac.uk](mailto:c.ince@kingston.ac.uk)

If we are unable to resolve any complaint, you can complain to the Information Commissioner's Office, the independent body that oversees the Act:

Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow,  
Cheshire, SK9 5AF
